

Proposed Course Proposal

Course	<i>DIY Photoshop</i>
--------	----------------------

Course Details- <i>Using photoshop to create crafts</i> Who should attend – anyone crafty	Maximum Number of Students (eg: 8, 10, 15)	10
<ul style="list-style-type: none"> Don't just store our digital photos on a hard drive or email them to friends. Get creative with your own images while learning basic Photoshop skills along the way. Project-centric course where each project begins with a list of the tools and materials you'll need to get started. From there, full-color photographs, clear instructions, and numbered steps walk you through every step of the project. <u>We'll do the Photoshop work in class and go over how you can finish the product at home</u> - You'll learn how to create unique crafts out of a variety of materials, including paper, ceramic, metal, glass, fabric, and polymer clay. Whether you're a longtime D.I.Y. devotee or completely new to crafting, this book will show you everything you need to create attractive, unique keepsakes. 	No. of sessions	4, 6, 8
	No. of hours per session	4, 3 , 2 respectively
	Day/ Evening/Weekend	D/E/W
	Times	
	Prerequisite knowledge –
